Motorola Portable Bluetooth® Car Kit: The T305 Bluetooth Portable Hands-Free Speaker has high quality audio capabilities and is optimized for use in your car. The sleek and intuitive design makes it easy to just clip, connect and go! It is easy to use and helps you comply with the growing number of laws that prohibit vehicle cell phone usage unless you use hands-free technology. A powerful loudspeaker and sophisticated noise reduction technology give the volume and clarity needed to converse while keeping your hands on the wheel and your eyes on the road.

Portable Navigation Devices by Garmin®: The Mazda Genuine Accessories Garmin nüvi® 765T features turn-by turn directions to over 6 million points of interest including addresses, restaurants, hotels, and much more. The simple to use menu shows the road ahead with voice directions announcing street names and lane assist which provides a clear picture of road sign details and arrows indicating the proper lane for navigation. Some areas even offer a 3-D view of buildings. Beyond navigation the nüvi 765T features a Bluetooth kit, MP3 and audio player, picture viewer and world clock. See your Mazda Dealer for a complete feature list.
