

Mazda6 Specifications

ENGINE	
Engine type	SKYACTIV-G 2.5L DOHC 16-valve 4-cylinder engine
Displacement (cc)	2,488
Horsepower (SAE net)	184 @ 5,700
Torque (SAE net, lb-ft)	185 @ 3,250
Recommended fuel	Regular unleaded gasoline
Valvetrain	Chain-driven dual overhead cams, 4 valves per cylinder with variable valve timing (VVT)
EPA-estimated fuel economy, MT (MPG, city/hwy)	25/37†
EPA-estimated fuel economy, AT (MPG, city/hwy)	26/38‡
Emission control type (Fed/Cal)	Tier2-Bin5/PZEV

DRIVETRAIN AND CHASSIS	
Type	Front-wheel drive (FWD)
Manual transmission	SKYACTIV-MT 6-speed manual transmission (Sport and Touring only)
Automatic transmission	SKYACTIV-Drive 6-speed Sport automatic transmission with manual shift mode
Brakes	4-wheel disc (vented front, solid rear)
ABS	4-wheel, 4-channel with Electronic Brakeforce Distribution
Suspension	4-wheel independent
-Front	MacPherson strut with stabilizer bar
-Rear	Multi-link with stabilizer bar

EXTERIOR DIMENSIONS & CAPACITIES	
Wheelbase (in)	111.4
Length (in)	191.5
Width (in)	72.4
Height (in)	57.1
Fuel capacity (gallons)	16.4

INTERIOR DIMENSIONS & CAPACITIES	
Headroom, front/rear without moonroof (in)	38.4 / 37.1 (Sport and Touring only)
Headroom, front/rear with moonroof (in)	37.4 / 37.1 (Grand Touring only)
Shoulder room, front/rear (in)	57.1 / 55.5
Legroom, front/rear (in)	42.2 / 38.7
EPA passenger volume (cu ft)	99.7
EPA cargo volume (cu ft)	14.8

Mazda6 Features

ACTIVE AND PASSIVE SAFETY	Sport	Touring	Grand Touring
Advanced front air bags** with seat belt-use and passenger-weight sensors	●	●	●
Front side-impact air bags and side-impact air curtains**	●	●	●
3-point seat belts for all seating positions	●	●	●
Dynamic Stability Control (DSC)†† and Traction Control System (TCS)	●	●	●
Tire-Pressure Monitoring System	●	●	●
Smart City Brake Support System†‡		○	●
Blind Spot Monitoring System***		●	●
Forward Obstruction Warning System†††			○
Rear Cross Traffic Alert System†††		●	●

SECURITY	Sport	Touring	Grand Touring
Engine-immobilizer anti-theft system	●	●	●
Alarm system			●
Keyless remote panic button (on key fob)	●	●	●
LATCH child-safety-seat anchors & upper tethers	●	●	●
Child-safety rear door locks	●	●	●

EXTERIOR	Sport	Touring	Grand Touring
Halogen headlights with automatic off	●	●	
Halogen headlights with automatic on/off			○
Bi-Xenon High-Intensity Discharge headlights with automatic on/off			●
Adaptive Front-lighting System			●
Halogen daytime running lights	●	●	
LED daytime running lights and halogen fog lights			●
Rain-sensing windshield wipers		○	●
Power sliding-glass moonroof with one-touch-open feature and interior sunshade			●
Dual power side mirrors with intergrated turn signals	●	●	●

Mazda6 Features (cont'd)

	Sport	Touring	Grand Touring
Heated side mirrors with auto-dimming driver's side		○	●
Rear decklid spoiler			●
17-inch aluminum alloy wheels with P225/55 R17 all-season tires	●		
19-inch aluminum alloy wheels with P225/45 R19 all-season tires		●	
19-inch unique silver-painted aluminum alloy wheels with P225/45 R19 all-season tires			●

INTERIOR	Sport	Touring	Grand Touring
Air conditioning with pollen filter	●		
Dual-zone automatic climate control with pollen filter		●	●
Power windows with driver's one-touch-down/up feature	●	●	●
Cruise control with steering-wheel-mounted controls	●	●	●
Mazda Radar Cruise Control****			○
Bluetooth hands-free phone and audio capability	AT	●	●
Remote keyless entry system	●	●	
Mazda Advanced Keyless Entry System		○	●
Push Button Start	●	●	●
6-way power driver's seat		●	
8-way power driver's seat with power-adjustable lumbar support			●
4-way power front passenger seat			●
60/40 split fold-down rear seatback	●	●	●
Cloth-trimmed seats	●		
Leatherette-trimmed seats		●	
Leather-trimmed seats with heated front seats			●
AM/FM/CD/MP3-compatible audio system with 6 speakers	●	●	
Bose® Centerpoint® Surround Sound System with AudioPilot® 2 and 11 speakers		○	●
Steering-wheel-mounted audio controls	●	●	●
Commander Switch		●	●
Auxiliary-audio input and USB port	●	●	●
SiriusXM Satellite Radio with 4-month trial subscription to the Sirius Select package††††			●
5.8" full-color touch-screen display	AT	●	●
HD Radio	AT	●	●
Pandora® Internet radio compatability	AT	●	●
SMS text message audio delivery and reply	AT	●	●
Mazda navigation system with real-time traffic updates		○	●

PRODUCT CHANGES AND OPTIONS AVAILABILITY: Following publication of this brochure, certain changes in standard equipment, options, prices and the like—or product delays—may have occurred which would not be included in these pages. Your Mazda Dealer is your best source for up-to-date information. Mazda reserves the right to change product specifications at any time without incurring obligations. Options shown or described in this brochure are available at extra cost and may be offered only in combination with other options or subject to additional ordering requirements or limitations.

*Extra cost option.†Based on EPA estimates for 2014 Mazda6 models with manual transmission 25 city/37 highway MPG. ‡Based on EPA estimates for 2014 Mazda6 models with automatic transmission 26 city/38 highway MPG. Actual results may vary. **Always wear your seat belt and secure children in the rear seats in appropriate child restraints. ††Dynamic Stability Control (DSC) is an electronic system designed to help the driver maintain control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether DSC will be effective in preventing loss of control. Please see your owner's manual for further details. ‡‡Smart City Brake Support operates in certain low-speed situations. Factors including speed, road conditions and driver input can all impact stopping distance. Smart City Brake Support is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your owner's manual for further details. ***Always check your mirrors. Be aware of the traffic around you. †††Forward Obstruction Warning is not a substitute for safe and attentive driving. There are limitations to the range and detection of the system. Please see your owner's manual for further details. ‡‡‡Always check your mirrors. Be aware of the traffic around you. ****Mazda Radar Cruise Control is not a substitute for safe and attentive driving. There are limitations to the range and detection of the system. Please see your owner's manual for further details. ††††Not equipped for XM Radio reception. SiriusXM Satellite Radio reception requires a subscription and Mazda satellite radio. Subscriptions to SiriusXM services are sold by SiriusXM after a 4-month trial subscription to the Sirius Select package expires and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. Sirius satellite service available only to those at least 18 and older in the 48 contiguous USA, DC, and P.R. (with coverage limitations). Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc.

2014 Mazda6

Power. Performance. Fuel economy. Perfection.

The all-new 2014 Mazda6^{*} brings state-of-the-art technology, soulful design and superb driving dynamics to the mid-size sedan segment. Beginning with Mazda's KODO "Soul of Motion" design, the Mazda6's exciting and dynamic expression of motion evokes a cheetah the moment before it pounces. Built with Mazda's ultra fuel-efficient SKYACTIV[®] TECHNOLOGY, power, performance and fuel efficiency find their purest expression yet. There's an all-new 2.5L SKYACTIV-G engine with your choice of SKYACTIV-MT 6-speed manual transmission or SKYACTIV-Drive 6-speed Sport automatic transmission. The result is confidence-inspiring handling that imparts control to the driver and a fully realized driving experience that makes the Mazda6 an intuitive, elegant extension of the driver's body.

Multi Information Display (MID)

Mazda's Human-Machine Interface (HMI) has evolved to a level of intuitiveness that allows for remarkable ease of operation. Instrumentation is readily accessible and easy to read, creating a fully coordinated cockpit that is outfitted for the driver's ultimate convenience and control.

Commander Switch

Thanks to the newly available Commander Switch, audio, navigation and Bluetooth[®] functions can be controlled using the rotary commander in the center console for smooth, intuitive operation.

Luxury Seating

The Mazda6's instantly recognizable refinement uses heightened quality and textures, elegant lines and contoured seats to help ensure that driver and passengers enjoy every minute on the road in comfort.

Fuel-efficient exhilaration.

Mazda's breakthrough SKYACTIV TECHNOLOGY is an innovative, comprehensive automotive engineering strategy that reimagines what's possible—offering up remarkable fuel efficiency without giving up Mazda's signature driving exhilaration. Utilizing the full suite of SKYACTIV TECHNOLOGY provides the Mazda6 a lighter—yet stronger—chassis and body for precise, agile handling that never compromises safety. A lighter engine that delivers more torque with lower emissions than before. And transmissions that respond naturally and intuitively to driver input for maximum performance and fuel efficiency. The sum total? A perfect balance of harmony between Mazda6's component parts—and, by extension, you and the open road.

www.MazdaUSA.com/skyactiv

SKYACTIV-G, SKYACTIV-Drive and SKYACTIV-MT

The SKYACTIV-G engine offers higher low/mid-range torque, lower emissions and better fuel efficiency than our previous 2.5L engine. The SKYACTIV-MT offers a crisp, sporty feel, while the SKYACTIV-Drive offers exceptional fuel efficiency and a smooth, responsive drive.

SKYACTIV Platform

The SKYACTIV-Chassis and -Body use smarter, lighter and stronger materials to improve body rigidity. Suspension and steering systems provide confidence-inspiring agility at low speeds and stability at high speeds, creating an almost uncanny connection between car and driver.

Intuitive technology for instinctive safety.

The all-new Mazda6 Grand Touring offers a new generation of active safety technologies that give drivers more "eyes." Awareness of surroundings is heightened, helping the driver to proactively avoid hazards and avert accidents. Mazda Radar Cruise Control (MRCC)*, Forward Obstruction Warning (FOW)† and Smart City Brake Support (SCBS)‡ use state-of-the-art technologies to enhance safety by automatically sensing the Mazda6's environment, preparing it to act quickly on the driver's command.

*Available for sale January 2, 2013.

*Mazda Radar Cruise Control is not a substitute for safe and attentive driving. There are limitations to the range and detection of the system. Please see your owner's manual for further details.
