\*Mazda Hurricane Assistance Program \$500 is good toward the purchase or lease of a new 2012 or 2013 Mazda vehicle. No cash value. The Mazda Hurricane Assistance Program CANNOT be combined with other private offers but CAN be combined with other public purchase incentives including, but not limited to, customer cash back, lease and APR incentives/offers. Must be a U.S. resident. Proof of eligibility required, including copies of the purchaser's current driver's license or other proof of residence, current registration or title for damaged vehicle, and vehicle insurance claim form indicating damage from recent severe weather conditions. Limit one discount per customer, per vehicle. Must take new retail delivery from dealer stock by 11/30/2012. See participating dealer for complete details. Offer expires 11/30/2012.

†Payment deferral not available in PA or where prohibited by law. Loan origination fees may apply. Interest, if applicable, starts to accrue on a daily basis from the date of the financing contract date. Since the first payment will be due more than 30 days after the start date of the contract, more interest will accrue due to the extended time until the first payment. The accrued interest during this extended first period is included in the calculation of the monthly payment, causing the customer's monthly payment to be higher than if the first payment had been scheduled to begin 30 days or less from the start date of the contract. For well-qualified buyers when financed through participating lender. Must take new retail delivery from dealer stock by 11/30/2012. See participating dealer for complete details. Offer expires 11/30/2012.

Note: All applications subject to credit approval by JPMorgan Chase Bank, N.A. through Mazda Capital Services (MCS), and the program may change at any time. Not all programs are available in all states.
